Theme: How we can hear God in a noisy world

Key Verses: John 20:19 - 31

Think about:

1. Times when you needed God but God seemed very far away. How did you feel? What do you think kept you from sensing/feeling God's presence during those times?
2. Times when God seemed near. What were the circumstances?
3. What you need to change in your life or in your schedule to make time for God to speak into your life. What's keeping you from making those changes?
